

## Kolb-Varimat G 3000

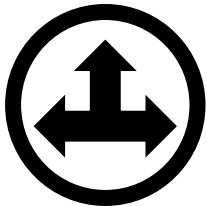

CNC-Gantry milling machine

Manufacturer Hermann Kolb • 1992 • Machine-No. 14 895

### Performance

✓ Spindle Power	34 kW
✓ Spindle Speed	50 – 5.000 rpm
✓ Forward Feed X-Y-Z-Axis	20.000 N
	1-40.000 mm/min

### Range on Axes

✓ Table/Pallet	X-Axis	10.200 mm
✓ Milling Carriage	Y-Axis	3.900 mm
✓ Milling Carriage Stroke	Z-Axis	1.000 mm

### Place of installation

✓ Space requirements	20.000 x 9.000 x 5.000 (mm)
✓ Clamping table surface	3.000 x 10.200 mm
✓ Working area	10.200 x 3.900 mm
✓ Total weight	74.000 kg

## **Kolb-Varimat G 3000** **Further technical information**

### **Size information**

- |   |               |
|---|---------------|
| ✓ Spindle Distance above Table-<br>with retracted Milling Spindle | 1.350 mm      |
| ✓ Distance lower Edge (Machine Bed)<br>to upper Edge (Pallet)     | 400 mm        |
| ✓ Free Passage between Stands                                     | 3.400 mm      |
| ✓ Weight work piece   | 5.000 kg max. |

### **Magazin and Tools**

- |  |               |
|--|---------------|
| ✓ Tool places (Storage and retrieval area) | 64            |
| ✓ Rapid feed                               | 60.000 mm/min |
| ✓ Tool Selection                           | Standard      |
| ✓ Tool holding fixture                     | SK50          |

### **Control**

- ✓ Siemens Sinumerik 840
